Grower Deliveries and Stock on Hand

The following procedures relate to accessing Grower Reports in the Bunge Grain System:

Login to CSM Portal at www.bunge.com.au

The following LOGIN screen should appear. Enter User Name & Password.

A screenshot of a login form. It contains two input fields: 'User Name' and 'Password'. Below the fields is a dark blue 'Submit' button and a purple link for 'Forgot Password?'. Below the form, there are two lines of red text: 'Growers - Your User Name is your NGR Payee Number' and 'Clients - Your User Name is your User Name as advised during the registration process'.

Growers: The User name for growers is the NOMINATED Linked payee ID, NOT the NGR card number. (usually the primary vendor payee).

A screenshot of a table titled 'Linked Payees'. The table has four columns: 'Code', 'Name', 'Split', and 'Principal'. The first row is highlighted with a red box. The data in the first row is: Code: 11338867, Name: Test Grower, Split: 100%, Principal: ✓.

Code	Name	Split	Principal
11338867	Test Grower	100%	✓

After clicking **[View Stock Holdings:](#)**

Stock Holding (Entitlement) and Transactions

Growers can view stock information including delivery information as per their NGR Card ID. Each Owner in the system is a nominated NGR. Information is by Site, Season, Commodity and Grade.

View Stock Holding

Click

View Transaction Information

Grower transaction details can be viewed on-line

[View Transaction Information](#)

View your movements (Orders and Transactions) into and out of the Emerald Grain network as well as title transfers and regrades.

[Help](#)

Click [View Transaction Information](#)

Enter transaction number (ticket) or other details (optional), otherwise click SEARCH and all tickets will be displayed.

The screenshot shows the 'Transaction' search interface. On the left, there are input fields for 'Number' (highlighted with a red box), 'Type', 'Transport Mode', 'Owner', 'Delivery Card', 'Order Number', 'Site', and 'Season'. On the right, there are dropdown menus for 'Commodity' and 'Bin Grade', and date pickers for 'From Date' and 'To Date'. Below these are checkboxes for 'In Progress', 'Complete', 'Cancelled', and 'Superseded'. At the bottom, a table header is visible with columns: Number, Type, Transport Mode, Truck Regs, Owner, Delivery Card, Order Number, Site, Date, Season, Commodity, Bin Grade, Delivered Tonnes, and Excluded Tonnes.
