Grower Contracts and History	15-Oct-2018	V 1.1

Grower Contracts and History

In this section, you can access all Contracts with Bunge by Season, and see all delivery (ticket) information as well as Tax Invoices (RCTI) and Tickets that are paid or due for payment. Mandatory Fields*: NGR Delivery Card and Contract Season.

The NGR Delivery Card will default where there is only one delivery card. If the user has access to a share-farm arrangement, then the user will be able to SELECT an NGR Delivery Card to review. Only one NGR Card can be accessed at a time.

Filters

To make your searches easier, we have used optional filters to search for data. The most common filters will display on the page

Season*: Contract Season must be selected.

Other optional searches can be done for:

Commodity: enter the commodity you have contracted

Contract Type: enter the type of contract you have entered with Bunge, such as **DEL** (Delivered)

Grade: If you have contracted a fixed grade, such as **BFED1**, this would limit the data

To access more space on the page, these menus can be hidden using the button:

[Hide Filter Bar](#)

In addition, we have added a [Filters](#) button for other criteria to find contract information. These filters include:

Filters

Search

Basic

*Contract Season: 2016-17

Commodity: Barley

Contract From: Enter Date ...

Contract To: Enter Date ...

Contract status: Approved

Contract Type: DEL

Market Zone: BUNBURY MZ

Export to Excel

The default view from the Contract drilldown is a list of tickets “Nominated and Applied” against the contract which may be settled (invoice created) or not depending on the date of the enquiry.

Nominated but Unapplied View

The second view from the Contract drilldown is a list of tickets “Nominated but Unapplied” against the contract which have been transferred but have not been applied to the contract yet due to timing of the transaction.
