

## Bunge Services Login

The following procedures have been provided for access to the Bunge Services Web portal for Growers.

For Trade client access, please use the following existing link to access CLIENT stocks from the Bunge website:

<https://csmportal.bunge.com.au/Portal/Login/Index>

## Browser Access

The following web browsers are supported:

- Google Chrome
- Safari (Apple)
- Mozilla Firefox
- Opera

The following web browsers are NOT supported at this time:

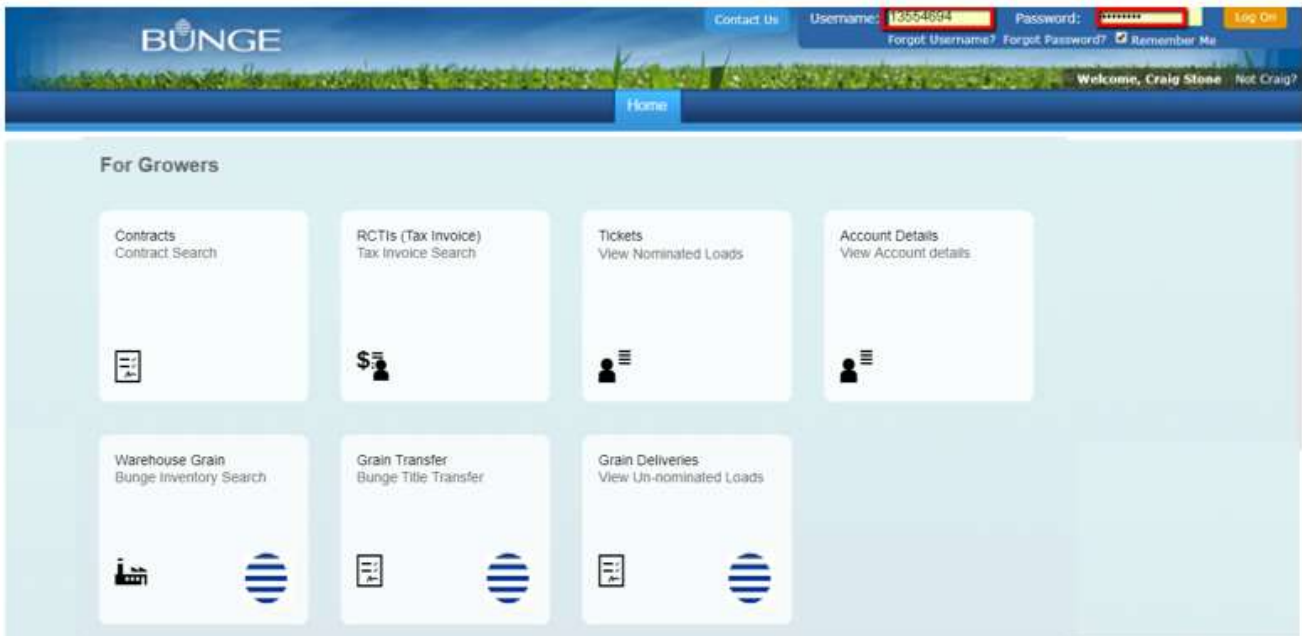

- Internet Explorer

## Login

Growers can access the BungeServices Portal using the following link-

<https://www.bungeservices.asia/irj/au>

The following menus/tiles will display based on user access:

### First Time Login

After you have registered with NGR and have received your Delivery Card and payee details, you should receive a Welcome email from Bunge Services within 24 hours.

This email will contain your Bunge Username (Login ID i.e. your NGR payee). If you are familiar with the old Bunge grain portal, then this number is that same number (i.e. your NGR Payee).

NB. It is NOT the NGR Delivery Card number.

If you do not receive the Welcome to Bunge Email, please contact us on *1300 4 BUNGE*.

### Grower Menus

The Bunge Services Grower Portal has two sets of menus for user access. The top menus allow access to user's account details, including contracts, RCTI's and Tickets that either paid or due for payment.

The bottom menus denoted with the Bunge Logo  are specific purpose for grain available in in the Bunge-Owned network including the Bunbury Terminal. These will show the full history of all delivery loads once completed in the Bunge system, in real time with the current status of ownership.

## Forgot Username

Alternatively, if you click on the **Forgot Username ID** you can request your Bunge username (Login ID) if you need to get your login credentials.

Enter the email address you have provided NGR (National Grower Register). If your email has changed and you have not advised NGR, then please call NGR direct on *1800 556 630*. (NB, Bunge receives this data electronically from NGR and does not update our systems manually).
